## CONTRACT TO STORE IN AREA DESIGNATED BESIDE AIR STRIP

**Please note that this storage area is an unsecured area.** Storage is at the member's risk. Hide-A-Way Hills Club will not be responsible for damage, vandalism or theft.

All items must display the member's lot number, and current license if the item is required to be licensed by local or state government. All watercraft must be registered with the Club Office and display current year HAH boat decal.

This is not a "dump site" for your discarded items. This area is set aside as a convenience for members who do not have a place to store the above-referenced item(s) on their lot. This is a storage area for regularly used items such as trailer, watercraft, camper, etc. If you do not intend to use the item(s) stored, please dispose of it in a proper manner (sell, give away, etc.). Any items appearing to be in disrepair or appearing to not be used on a regular basis, the Club will attempt to contact the member and request removal of item(s). If contact can not be made, the Club reserves the right to remove and dispose of these items without further attempt to contact the member. Any item(s) not displaying the member's lot number will be removed immediately.
